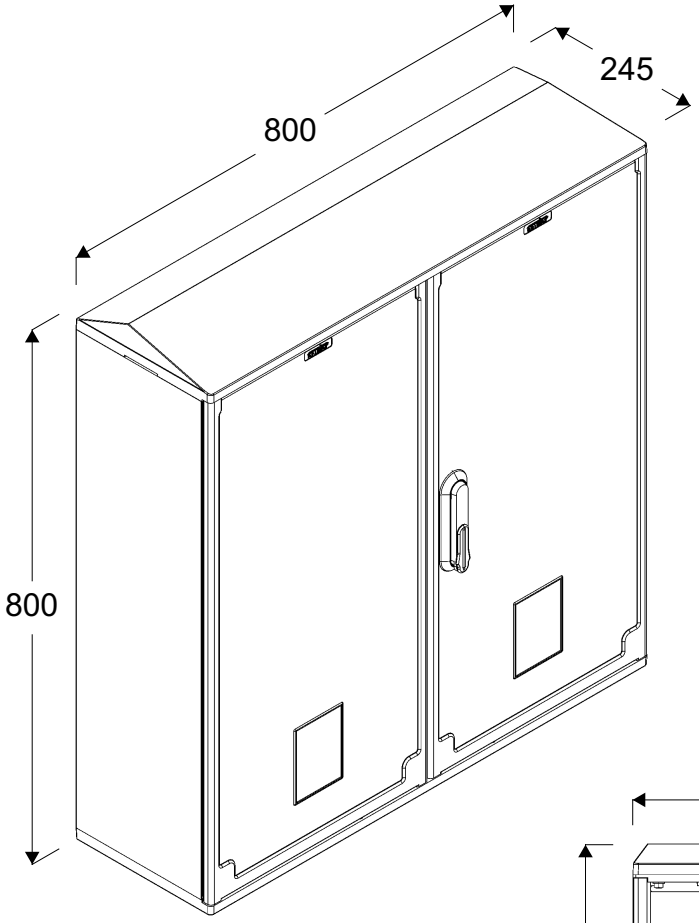
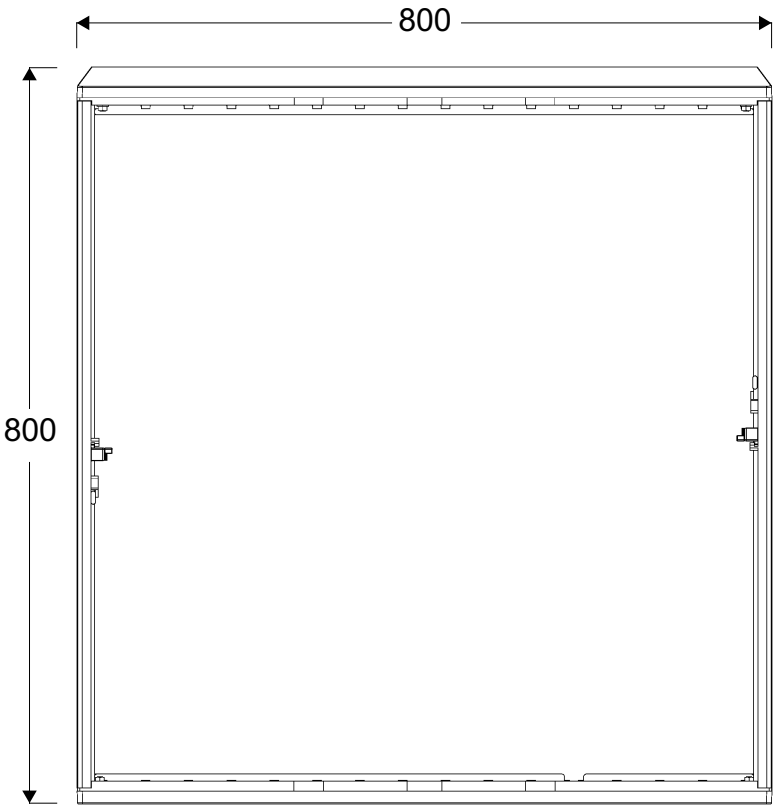
CATALOGUE CARD





Main technical features:

Max current - measurement part:	63 A
Max current - junction part:	160 A
Rated voltage:	230/400 V
Rated voltage of the insulation:	500 V
Rated frequency:	50~60 Hz
IP protection level:	IK10, IP 54
Working temperature:	-25~55 C
Compatible w ith norms:	EN 60 439-1
Insulation class:	II

Type:

LG808024

emiter®

Card number:
